

USIB Records Center

1. What is purpose of Center?

The ultimate goal of this operation is not free storage space and free reference. These are present factors important to NSA, DIA, ~~and~~ State, and CIA in varying degrees.

The purpose of this endeavor ~~is~~ ~~the final~~ should be a refining and enrichment of Community records that would result in having the Community aware of what documentation ~~is~~ available for their use. "Intellectual control" of such records means knowing what is available and how to get it. By product of this control should be disposal of duplicate copies of records; ~~and~~ improvement of reference service and (availability of collection for ADP feasibility studies)
